## Bilingual Kindergarten:

Pedagogical concept:

Our educational concept is based on a situation-oriented approach with a focus on movement and creativity. We are guided by German standards and place particular emphasis on allowing the children to pursue their interests and passions.

## Our framework conditions:

Childcare time:

Monday to Friday from 08:00 am to 3:30 pm (37.5 hours)

Full day fees:

Without taking the childcare allowance into account, an hourly rate of € 14.00 applies. (Information about subsidies can be found in the section below.)

Services included:

- Warm organic lunch
- Drinks
- Snacks
- Educational offers and excursions

Additional childcare:

Bookable per day from 3:30 to 6:00 pm (2.5 hours) at an hourly rate of € 14.00 (without consideration of the *Kinderopvangtoeslag*)

1 day:	€ 1,330.00
2 days:	€ 2,660.00
3 days:	€ 3,990.00
4 days:	€ 5,320.00
5 days:	€ 6,650.00

The cost of a kindergarten place in the Netherlands is significantly higher than in Germany. Depending on income, a large portion of the costs can be reimbursed through the childcare allowance (*Kinderopvangtoeslag*). The fees depend on the number of booked childcare days (four or five days) and amount to an annual fee of € 15,960.00 (four days) or € 19,950.00 (five days).

As an initial source of information on childcare allowance, we have provided some relevant facts as well as a calculation tool on our website. Please do not hesitate to contact our team ([schoolfees@disdh.nl](mailto:schoolfees@disdh.nl)) if you have any further questions. We are pleased to provide you with personalised advice and support.
